INTRODUCTION WITH AIRRATH

AIRRATH INSTITUTE OF EDUCATION & AVIATION TRAINING PVT. LTD is a company registered under company's act 1956. s

The company has Achieved remarkable heights by the dedication of it's. Today, our clientele includes, Industrial Houses, Multi-nationals, Corporate Houses, Industrial Libraries, and of course individuals from not only all over the country but globally.

THE Company is supported by a strong and competent research team comprising of Engineers, Consultants, Business Experts, CPL Holders, Chartered Accountants, having vast experience in their respective fields and Project Reports that works as a key for an entrepreneur for gathering information on the subject or for submission to the industrial departments/Financial firms.

Today's India is an economic superpower and business hub on a global scale. These days, a multi-national organization's reach is determined by whether it has business interests in India or not. Thanks to a well-governed education system, modern Indians have the necessary skill and the attitude to compete and succeed both at international and domestic levels. However, providing quality education at an affordable cost is not everyone's cup of tea and out of so many institutes across India, only a handful has succeeded to maintain both these standards. Airrath is one amongst these elites.

Airrath Institute of Education & Aviation Training Pvt. Ltd. (**AIEA**) majorly deals in Education, Aviation, Manpower Solutions & Air Charter Services. A world class complete HR Function Management solution to address the small & medium size Organizations' (SMEs). In simple "we build & manage HR department for organisations". A custom designed learning solutions for organisations and individuals for better Return On Investment (ROI). We believe in providing the best Education solution for our students with our complete dedication in almost all fields.

The Board of Director & Management Comprises of the Expert Team:-

Directors Message:- An educational institution has a profound role to play in the building of a nation, a society and an individual and it is a job of high responsibility when the recipients of that education are slated to perform roles of high responsibility. AIEA has been developing a distinctive brand of leadership, equipped to address critical challenges faced by industry and society. AIEA is on course to raise its global prominence. To enhance its position as an international leader in Education, Aviation & Manpower Solution Fields.

Institutes play a vital role in the economic and social growth of a nation. AIEA has always served the cause of nation building and responded to social-economic needs while providing path-breaking education. AIEA endeavours to remain at the crest of change and continue to develop World thought that addresses vital business, social and human needs.

With all the basics in place and a leadership position on a national front, we are now gearing up for some signal achievements. As an Academy of Education & Aviation we will continue to foster thought leadership and lead change. We will be modifying our activities in ways that foreground the importance of global citizenship and sustainable business models.
